## Summer is around the corner

*Skies may be gray, but sunny days are on the way!*

**In this issue:** Mother's Day saw Eswin and Alma fast at work again, turning out hand made-to-order omelettes all morning. It's always a special Sunday when Eswin cooks or carves, and smiling Residents are the proof (*photo below*).

Inside shows photos of Cornelius and Dennis playing at another terrific outdoor event with good food and good company. And thanks to representatives of the Isla Vista Community Services District for attending the event and showing support for the Manor.

And finally, there's a photo and introduction of Allison Peyton, who has taken over maintenance of the Rose Garden.

## ROSE GARDEN UPDATE

*Allison brings years of experience to the Manor*

Allison Peyton recently moved into the Manor and immediately fell in love with the Rose Garden.

Allison has 45 years experience with roses. She was mentored by master gardeners and has been cultivating ever since. Starting in San Clemente, where she raised two sons, Allison has a passion for roses we haven't seen at the Manor since Pat Garcia (for those who remember him). Just a reminder: the roses are for all to enjoy, so please don't pick a personal bouquet. And please don't prune or water: the water is on a timer so no personal watering is required.

Allison is a great addition to the Manor, please welcome her both as a resident and the new expert in the Rose Garden!

**RESIDENT SUPPORT**

**Got a question, a concern, or are you a new Resident with questions about how to navigate the Congregate Living situation of the Manor?**

Betty Chackel's regular Friday meeting in the E Lounge may be for you!

Betty is a great listener and problem solver, the meetings are private and friendly, and she's been helpful to many Residents. Plus, it's a good way to catch up on news of the Manor and feel you have a voice that's being heard.

Betty's meetings are every **Friday at 10:30 am** in the **E Lounge Conference Room** – which is adjacent to the upstairs Library.

**DOROTHY'S CORNER STORE**

**All profits from every purchase** go to fund movies in Jamison Hall, the B Lounge wi-fi and copier, and much more. Support your Corner Store and shop this valuable resource in the B Lounge, open Monday, Wednesday and Friday from 1:00 to 2:30 pm. Come and shop local!

And for 24/7 snacks and sodas, remember the machines adjacent to the Corner Store. A portion of those proceeds also go into the RSC general fund for Resident services.
