## Valentine's Day Dance

*Another joyful party and dance at the Manor*

On February 14th, our Activities Director Chris organized a fun party and dance, with music by favorite live dance band SnapShot. Our own decorator Larry hung colorful hearts from the dining room ceiling, and it was a festive setting for a very successful party and dance, which included a group of UCSB students helping residents (largely in red) to celebrate the special day. *Photos below and on pages 2 and 3.*

Finally, on page 3 are three mostly invisible but important features of the Manor. New residents should know about these resources, not overly publicized, and long-time residents may have forgotten or overlooked them.

### THINGS YOU SHOULD KNOW...

There are some things not actually spelled out that new residents might want to know, and current residents may have forgotten. In an ongoing effort to keep everyone informed, here they are:

#### **Light Bulb and Battery Disposal**

Light bulbs and batteries (A, AA, AAA, 9 volt, etc.) should never be put in the regular trash, they need to be disposed of individually and safely. The way to do this is put them in their respective containers that live on the backside of the elevator in the garage. They are clearly marked, so if you need to throw them away, please do so in this location.

#### **DVD, BluRay and VHS Library.**

There is in circular room downstairs in the pool and ping pong room that hold a library of films for all three formats that you can either borrow and return, or watch right there on the TV. All three formats are supported and many people don't know about this valuable and fun resource.

#### **The Library**

Books galore live in the spacious room near Jamison Hall. Every genre is represented and if you like to read, this is the place for your. There are tables & chairs and nice comfy chairs & lamps.

Thanks to Lynn for suggesting this section, and for overseeing all the movies and books.

### RESIDENT SUPPORT

**Got a question, a concern, or are you a new Resident with questions about how to navigate the Congregate Living situation of the Manor?**

Betty Chackel's regular Friday meeting in the E Lounge may be for you!

Betty is a great listener and problem solver, the meetings are private and friendly, and she's been helpful to many Residents. Plus, it's a good way to catch up on news of the Manor and feel you have a voice that's being heard.

Betty's meetings are every **Friday at 10:30 am** in the **E Lounge Conference Room** – which is adjacent to the upstairs Library.

### B LOUNGE CORNER STORE

**All profits from every purchase** go to fund movies in Jamison Hall, the B Lounge wi-fi and copier, and more. Support your Corner Store and shop this valuable resource in the B Lounge, open Monday, Wednesday and Friday from 1:00 to 2:30 pm. Come and shop local!

And for 24/7 snacks and sodas, remember the machines adjacent to the Corner Store. A portion of those proceeds also go into the RSC general fund for Resident services.
